Classroom Resource Worker Diploma Program (2~Semesters)

Our two semester diploma program will open doors for you at your local community school as a classroom resource worker. You will be working one-on-one with special need students in a classroom setting.

Your distance learning and online program will consist of reading, writing assignments and multiple choice quizzes and internet research. Our online component provides over 200 self-study Microsoft office courses. Upon completion of each academic assignment students will be required to email it in to the college for grading.
